REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)

54883-P1

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,597,780, granted January 28, 1997, and for which a reissue patent is sought on the invention entitled Low Volatility Formulations of MicroencapsulatedClomazone

the specification of which

☐ is attached hereto.☒ was filed on January 28, 1999 as reissue application number 09 / 239,426
and was amended on January 28, 1999
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

- ☐ by reason of a defective specification or drawing.
- ☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.
- ☐ by reason of other errors.

At least one error upon which reissue is based is described as follows:

This reissue application is being filed because the patentee claimed less than the patentee had a right to claim. As a result, this reissue application contains claims that are broader than the claims of US Patent No. 5,597,780. This reissue application is timely filed within two years of the issuance of US Patent No. 5,597,780 on 28 January 1997.
